**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR 1.8(b)**

Petitioner hereby requests that the above referenced application, which received a Notice of Abandonment with mail date of 02/25/2005, be revived under 37 CFR 1.8(b).

The application was abandoned for failure to timely respond to a First Non-Final Office Action stating an Election/Restriction Requirement with mail date of 07/15/2004 and setting a one month shortened statutory period for response.

The undersigned, on the basis of personal knowledge, attests that a timely response to the Office Action was filed utilizing a Certificate of Mailing under 37 CFR 1.8(a) on 08/13/2004.

A copy of the timely filed response to the Office Action and Certificate of Mailing under 37 CFR 1.8(a) accompanies this Petition.

It is noted that the Examiner states in the Notice of Abandonment that telephone contact was attempted on five different occasions with no contact. This is unusual, in that the proper telephone number is answered by voice mail if not personally answered. We are a ninety lawyer law firm so it is doubtful that the correct number is being used.

The undersigned certifies that this correspondence is being deposited with the U.S. Postal Service as first class mail in an envelope addressed to Mail Stop Petition, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date below.
